Thank you for your order with *Kaz Stevens - Life Coach*. We are dedicated to helping you achieve what is important in your life, and your cooperation is an essential part of that. Above all, you must be positive and patient.

Don't dwell on the problems we are working to resolve, and don't expect instant results. We can't force you or anyone else to change their feelings or behaviour unless they truly want to change and are prepared to work towards that goal. You must trust us and be willing to take our advice. Barriers to change almost always lie within ourselves.

Frequent calls interfere with the work we are doing for our clients, so please don't phone unless it's important or we have asked you to call. Impatience and negativity will destroy the benefits of the work we are doing for you.

To comply with the Consumer Protection (Distance Selling) Regulations 2000 we have to give you certain information about your order and your right of cancellation. The details of your order are shown above.

Right of Cancellation:

Unless the date of commencement is later than the date of order, service delivery starts immediately. The services and any materials supplied (such as CDs, charts etc) are personal to you. The right of cancellation normally provided under the Regulations does not apply once delivery of the service has started, and we cannot accept the return of any materials since they cannot be supplied to anyone else.

Our Trading Policy

Your satisfaction is important to us. If there is any aspect of our service with which you are dissatisfied or which you feel could be improved, please let us know. Our address, email, and a phone number (for account queries only please) are shown above.

Whilst we make every effort to achieve a satisfactory outcome for you, we cannot guarantee a result since a successful outcome will depend upon your cooperation, and upon the accuracy and completeness of the information you give us in respect of the work you have commissioned.
